

valentine's day dinner

IRISH HOUSE RESTAURANT and TRINITY PUB

Enjoy a delicious, romantic dinner with your special someone in the comfort and hospitality of the Irish Cultural Center's Irish House Restaurant.

Included: Two complimentary glasses of champagne per person – when seated and with dessert. Plus, musical accompaniment by Joe Wilson on jazz saxophone.

DINNER MENU

FIRST COURSE

Lobster Bisque – In the early 20th century, lobster acquired its specialty-seafood status. Our gourmet recipe is a delicious blend of fresh cream, sherry wine and lobster, creating a smooth, sophisticated taste.

OR

Mediterranean Salad – Full of juicy tomatoes, crisp cucumbers, slivers of purple onion, all on a bed of spring salad greens. Toss in bits of crumbled Feta cheese and drizzle it with a sun-dried tomato vinaigrette to make it even better.

SECOND COURSE

6 oz Filet with Coconut Shrimp and Baked Potato – 6 oz of the most tender of steaks, hand cut and broiled to perfection. Shrimp is breaded with coconut, and then deep fried. The coconut in the coating gives the shrimp a slightly sweet and exotic flavor, served with a marmalade sauce. A baked potato is topped with sour cream and chives. This meal will melt in your mouth.

OR

Brown Butter Mushroom Pasta – This meal is a prime example of how we think pasta should be eaten. Equal parts pasta to everything that is in it – especially when it comes to vegetables, and especially when it comes to mushrooms – plus something crunchy sprinkled over the top and a decadent sauce.

DESSERT

A delicious **Red Velvet Cake** is served with juicy raspberries, and a light sauce made with Viticoltori Dell'Acquese, Brachetto. Served with a glass of champagne to finish the evening, and the meal, perfectly.
