

Support the Irish Cultural Center

The Irish Cultural Center of Western New England is devoted to **keeping the Irish arts alive**. We work to preserve, share, and promote Ireland's cultural heritage, so that all people will have the opportunity to appreciate its rich legacy. As a non-profit organization, your support is vital to the ICC's continued success. Your generosity allows us to maintain operational expenses, develop new programs for all ages, expand and exhibit our collection of cultural artifacts, and continue to provide high quality events for the community.

We invite you to join our membership. Whether you are Irish or not, love the language or the music, or just want to support the preservation of art and culture, your contribution is greatly appreciated.

Our Future Home

The building and new sign on July 28, 2015, after the official lease transfer ceremony.

The Irish Cultural Center of Western New England has signed a twenty-year lease with the City of West Springfield, for our future location at 429 Morgan Road, and in due time we will be moving to our new home.

The large multi-level building is located on nearly 10 acres of land. It will include a performance, banquet and lecture hall, a museum and library, offices, a traditional Irish pub, grounds with gardens and athletic playing fields.

We will continue moving forward, expanding our event offerings, community outreach and member benefits, thus fulfilling our promise of keeping the Irish arts alive. **We value our members and thank you for your support!**

“I believe this will be a great partnership and I am looking forward to the Center becoming an integral part of the fabric of our community and region. I look forward to the opportunities the Center will provide to educate others on the rich history of the Irish both in the United States and Europe. May the great luck of the Irish be with the Center for decades to come.”

– Ed Sullivan

Former Mayor of the City of West Springfield, Massachusetts
